

## Frequently Asked Questions

Can I discharge fireworks in the street?

- No, fireworks can not be discharged on public roadways or right of ways.

What about a parking lot?

- If you are the owner of the parking lot or have written permission from the owner, then discharge is permitted.

What about across the dike along the river?

- No, that is considered to be public property and is prohibited.

Are the City of Hutchinson and Reno County, regulations different than South Hutchinson?

- Yes, the City of Hutchinson and Reno County have banned aerial fireworks devices that produce flaming balls, and fountains that produce sparks greater than six feet in any direction.

What is the fine for illegal discharge of fireworks in South Hutchinson?

- Violations of the City Ordinance is considered a Class C Misdemeanor and if convicted, you may be subject to a 1-month jail sentence and/or a fine not to exceed \$500.

## Fireworks Safety Tips

- Always read and follow label instructions.
- Always purchase high quality fireworks from a reliable, legitimate source.
- Alcohol and fireworks do not mix. Have a “designated shooter”.
- Never give fireworks to small children
- Adults should always supervise use of fireworks by older children.
- Always wear eye protection when lighting fireworks.
- Never ignite fireworks indoors. Make sure your outdoor area is safe for fireworks use.
- Fallout from fireworks should remain on your property.
- Never point or throw fireworks at a person, building, or animal.
- Have a source of water handy, in case of fire.
- Never shoot fireworks in metal or glass containers.
- Light only one firework at a time.
- Never attempt to re-light malfunctioning fireworks.
- When lighting fireworks, never position any part of your body over them.
- Never carry fireworks in your pocket.
- Store fireworks in a cool, dry place.
- Never experiment with homemade fireworks. They are dangerous and illegal.
- Bottle rockets and other skyrockets that are mounted to a stick or wire are illegal.
- It is illegal to shoot fireworks on or under a vehicle, on any public roadway, within 100 feet of a firework stand or where fireworks are stored, and gas stations or any place liquid gas-including propane—is stored.
- Never try to light wet or damaged fireworks.
- **Never light fireworks in dry grass.**
